WHY I WROTE THIS BOOK

I was sent to Los Angeles, California in the winter of 2005 to learn warfare in the Spirit and the Most High built my faith and confidence in Him in the streets of Skid Rowe. I was amazed at all the people there that were homeless and demoralized by a system that I had not really seen before. After learning that I was an Israelite and that I was in bondage to Mystery Babylon (United States) my outlook on humanity and government began to change drastically. Later learning what the Kingdom of God/Heaven is and that JerUSAlem (America) in these last days is where the battle for a remnant of us Isreaelites (sons of Adam) is going to be. I knew that I wanted to help my fellow countrymen and anyone else who wants to prepare and learn how to stand in the day of Jacobs troubles was something I needed to spend vast amounts of time to do.

This book is not for most people at this time, this book will never be a best seller in the main stream media. I am not going to get rich by this book and am only selling it as a means to get it further out into the world system to reach every person that is called by the name of the Most High God of Hosts. This book has always been free since I wrote most of it in 2005 on various websites that I have. If you believe that you are called by the Most High God of Hosts to learn warfare by the Blood of Jesus Christ and are on your way to becoming a King and a Priest for the glory of the Most High God than this book is for you and

you will never look at the Kingdom of God/Heaven or the world (order or arrangement of things) the same way again. Praise God and come to the cup of the Lord Jesus Christ and his Blood for the forgiveness of sins.

WHY YOU SHOULD READ THIS BOOK

This book will help you to understand what devils, demons, the devil, Satan and death are and how to overcome them with the Blood of Jesus Christ. In the Old Testament the Israelites were required to use hyssop and blood to strike the posts in the basin to protect them from the death angel.

Exodus 12:22 And ye shall take a bunch of hyssop, and dip *it* in the blood that *is* in the bason, and strike the lintel and the two side posts with the blood that *is* in the bason; and none of you shall go out at the door of his house until the morning.

Today we have access to the Blood of Jesus Christ by faith and must use it for the forgiveness of sins and to be covered to protect us from death, devils, and Satan. This book will also help people to understand the system that we are in verses the system of the Most High God of Hosts. Where we are going in the future and what will be necessary for standing in the day of battle. This is a short book jam packed with information that will open your eyes to dimensions and realms that have not been discussed too much in the past 2000 years. Now is the time to awake out of sleep and prepare for the day of the Lord.

Supplication One: A Supplication written 2006, by Thy servant David!

Lord, Here I am!

Thy servant David longs to speak to Thee.

Blessed be the name of my God, for in Him alone, I trust.

God is my battleship; He protects me in the sea of life.

For the sons of men, who are the children of Hell?

The sons and daughters of wickedness have encamped all around me.

They persecute and laugh at me; they seek to devour every part of me.

Satan's ministers speak hypocrisies and love deceit.

The devil oppressed are enslaved to the wicked and dark streets.

The lusts of their flesh, they love and the bondage of sin thereof.

Greed and the pride of this life have brought a fire to the Spirit within.

To the asunder of soul, I speak in life or death; that are in Thy tongue.

For the breath of God that is in me, no longer kindles them.

Their numbers are like the sand in the midst of the sea.

The heart of Hell is within them and

FOREIGN GODS, IN THE SEA OF HEATHEN HAVE SURROUNDED ME.

THEY DESPISE THE TRUTH AND THE DOCTRINE OF DEVILS, THEY DO SEEK.

O MOST HIGH GOD, THY ALONE STRENGTHENS ME.

THY ARE MY SHEPHERD, SO I ASK, PLEASE DIRECT ME.

I AM LOST; WANDERING MISERABLY, HEAR MY HUMBLE CRY, FOR I MISS THEE.

THY ALONE ARE MY DEFENSE AND YOU PROTECT EVERY PART OF ME.

THY MAKE THE SUN RISE AND SET, THE STARS TWINKLE AND THE MOONSHINE,

MAKE ME GLOW AND SHINE, O LIKE THEE.

FOR MY ENEMIES ARE ALL AROUND ME, PLEASE DELIVER ME.

I AM THY SERVANT DAVID, THY ANOINTED ONE, THY SHINING LIGHT.

O MY GOD, PLEASE SPEAK TO ME.

Supplication Two: A Supplication written 2005, by Thy servant David!

Father, My God, My Rock.

O I know that within Thy silence, in my great mourning and sorrow.

Thy will teach me and Thy understanding will be with me.

O LORD, Thy servant David longs to know the depths of Thy heart.

Search my being, the depths of my soul long to be with Thee.

O God, please speak to me, Thy servants heart is set on Thee.

Shine Thy Holy Light and set Thy Glory on me.

O though my head lie down, mine eyes stare at my feet

And my heart has troubled me, my soul will always long for Thee.

I shall not turn to the ways of wickedness, but I will always seek Thee.

Bring Thy peace and joy upon me in this time of need.

O LORD, instruct me, direct my footsteps and my soul in your paths.

Thy arm strengthens and Thy hand establishes me.

THY ARE JUST AND TRUE, THY LOVING KINDNESS IS WHAT I SEEK FROM THEE.

SHINE THY FACE ON ME AND SPEAK TO ME.

MINE EYES ARE DRY AND FLUSHED WITH FOUNTAINS OF TEARS I HAVE CRIED,

WITH GRIEF AND SORROWS OUT TO THEE.

HEAR THIS POOR MAN'S CRY AND REVEAL THYSELF TO ME.

FOR A MOTHER TENDS TO HER FLOCK, THE MOUNTAINS HOLD WATERS AND THE RIVERS GIVE BIRTH.

FOR THE TREES DANCE IN THE WIND AND THE PRAIRIE IS GREEN IN ITS BEAUTY.

BUT AS FOR ME, O GOD, I HAVE BEEN DRAWN DOWN IN SKID ROWE.

MY BEAUTY IS WITHIN THEE, BUT ONLY WHEN YOU ARE SPEAKING TO ME.

INTRODUCTION

My name I Brian surnamed David, in the spring of 2005, I was living in Wenatchee, Washington. I had decided to move to Pocatello, Idaho even though my heart told me to go to Boise, Idaho. I arrived in Pocatello and from the time I left Wenatchee until the time I arrived in Pocatello nothing seemed to go right. After three days of staying in Pocatello, I had decided to go to the store and buy a backpack and a sleeping bag. I was going to leave and did not know where I was going and didn't care at the time.

I purchased the backpack and a sleeping bag and went to my storage shed, put my clothes in it and started walking down the railroad tracks. I didn't know where they would lead me, but I knew that things would be alright. I had about 250.00 dollars in my pocket and figured I wouldn't starve. I walked about five miles, before being picked up by some Indians from the reservation near Blackfoot. They dropped me off at a casino and I started walking again along the freeway. I walked for about six more miles then laid down in the sage brush and went to sleep in my new sleeping bag. I

woke up early the next day about 3 o' clock in the morning and started walking again.

An hour later, I received this sharp pain in my foot and in the calf of my leg a year prior to this, I had rode over 4000 miles on my bicycle in one year and played basketball regularly, so I was in good shape. There wasn't anything physically wrong with me, but the pain was real. I experienced a similar kind of pain about three or four weeks earlier in my shoulder. The pain in my shoulder lasted for almost six months. It wasn't injured, I just woke up one day with pain, and the pain in my leg was very similar to the pain in my shoulder. Anyway, I limped into Blackfoot about six o' clock in the morning. There was a small motel just on the outskirts of town. I limped as fast as I could and got a room for two nights. By the third day my leg had still been in much pain, so I got a room for one more night. Money was getting low and for some reason I decided to get a bus ticket to Boise. When I had arrived in Boise, the next day my leg still hurt, so I decided to stay in a mission in town and look for work.

After a couple days at the mission I met two men Ross and Richard, who were to greatly impact my life. We talked briefly about Jesus, God, Christianity and other

things throughout several conversations. Ross and Richard had been traveling together and were brothers in Jesus Christ for 23 years. Both Ross and Richard spoke to me about the Blood of Jesus during our conversations. Ross focused more on the Blood of Jesus, while Richard talked to me primarily about the self-natural human spirit and the self-natural human spirit mind.

All three of us were sleeping on the chapel floor at the mission with other homeless folks during this time. For some reason after dinner, I would get our mats out and lay them on the floor next to each other for us to sleep on. This enabled us to continue our conversations about God, Jesus and other things in the evening. There was something about Ross and Richard that was different from other people I had met before. By this point in my life, I was fed up with hypocrite Christians, false doctrines, and the greedy people I had met in rescue missions and churches of all kinds. I did not want anything to do with another Christian. But these men never called themselves Christians; instead these men were witnesses for the Lord Jesus Christ and sons of God.

The word witness struck me as something I had not heard before from other people who claimed to know God. Ross and Richard spoke to me many times on

pleading the Blood of Jesus. They told me things I had never heard before, and they weren't cramming scriptures down my throat. There was a great peace and joy about their presence, a glow on their faces, and light in their eyes. I just knew they were really men of God.

Eight days after my initial meeting with Ross and Richard, I started pleading the Blood of Jesus. I would say, "I plead the Blood of Jesus, I plead the Blood of Jesus!" I did this off and on throughout the day, over and over for three days. On the third day, I was walking down the greenbelt, which is a 26 mile paved bike path that runs along the Boise River and through about five or six parks in Boise. Suddenly my face started glowing, a big smile came upon my face, and I felt like I was walking on air. People walking by me were smiling at me, waving at me, and saying, "hi," to me. I couldn't believe it. My leg stopped hurting, and a great peace, calmness, and joy came upon me like I have never experienced before. Praise God! Thank-you Jesus! Out of nowhere came a bright light, and I saw a 400 foot man standing in a cloud, He had long white wool hair, a long white wool beard and a white transparent robe on. I looked and I could not see His face, but it was Spirit looking.

There I was standing in His right hand about six inches tall, and He was looking at me. I was changed! I knew God touched me and something wonderful had happened. I am now a son of God, the Almighty Creator GOD. After being baptized in Jesus Christ and receiving the Holy Spirit, I started praising God and thanking Jesus for my salvation. I did this off and on all day every day and still do. After about three weeks I started speaking in tongues and now have the Holy Spiritual language to speak directly with God.

About five months later, the Lord had me go to Salt Lake City, Utah. There, I was pleading the Blood of Jesus, taking care of some missed sins and getting my garments clean, when suddenly I had a vision. I had a vision of the Blood of Jesus being sprinkled on my head and then covering my entire being. I then saw Blood being poured out all over me, like a bucket of water. After this I felt a wave running through my body. This occurred three times. It reminded me of when the Holy Spirit searches for sins, but a lot stronger. I asked the Lord what was happening, He said I was just anointed.

The Lord is now showing me how to rest in Him and trust that He has everything taken care of. I am following the Lord blindly; it has not been easy, because

the self-natural human spirit mind always wants to doubt. The demon spirit of doubt and the devil spirit of unbelief have attacked me a lot during this journey the Lord has me on. I know through this weakness of doubt, the Lord will bring strength to my spiritual walk and eventually I will be able to just do what God tells me to do. Praise God! Thank-you Jesus! The Lord has told me things that are so huge that it has brought me doubt. However, since I have trusted in the Holy Spirit to lead me, I have realized God does what He says He is going to do.

There is a scripture that comes to mind, Romans 10:17 says, "So then faith cometh by hearing, and hearing by the word of God in the person of Jesus Christ." Many Christians today believe that hearing the word of God means listening to someone read scriptures to them and then explaining it. However, I am here to tell you when we are washed in the Blood of Jesus on a daily basis always keeping ourselves clean through the Blood, we are able to hear God. Yes, we can hear God! I want to give people an understanding of who God is and why Jesus really came to the earth. I hope to help some to understand the TRUTHS that are in the Bible that have been turned in to lies by the heathen that preach in the

church buildings and Rescue Missions all across the world. God has given me a new name and now calls me David. Jesus said in the book of John, chapter 13, “Most assuredly, I say to you he who receives whomever I send receives me; and who receives me receives Him who sent me.” God has chosen me to bring the TRUTH to you, through the Holy Spirit and the Spirit of Jesus Christ. I hope you will drink the cup of life that is in this book that is only in the Blood of Jesus Christ. I put the Blood of Jesus Christ over every part of this Book and I put the Blood of Jesus Christ over every part of me. My prayer and hope is that he Holy Spirit may teach you the things that are in this book.

Chapter 1. The Mind, The Spirit and the Law

I want to first talk about the importance of sin and the law. Before God made us, He wrote the law in our hearts and our conscience agrees with the law that is in our hearts. The law was given through Moses, not to hinder us, but to show us what sin is. Sin is a means to draw near to God, through a blood sacrifice. This generation's spiritual sacrifice to offer to God is the precious Blood of Jesus, a Lamb without blemish or spot. Now I know that does not make much sense to the self-natural human spirit mind, but give me a moment to explain.

Our minds, our unconscious or our thoughts deceive us and make excuses for the laws we break which is sin. In the world we have been taught that if we break the law, then we are bound by the law, and there is a financial, physical, or emotional penalty to pay. Thus, we are subject to the law and the system of the law and those of the law in the world. This is how courts, judges, prosecuting attorney's, defense attorneys, convictions, affidavits, guilty, not guilty and a whole lot of other legal

terms that are created to confuse the poor, uneducated, the simple and so on has come about. This is a way of supporting a legal system and those of the legal system and a way of creating jobs and bringing in trillions of dollars for the different structures of the law.

God intended the law to show us sin and the cost of sin, for when I was in the world and was under the law, I lived even though I did not know sin. The law, lawyers, politicians, financial institutions and all those who create the law, have made it hard for the simple to understand sin that is given in the old law. With their long definitions of legal terms and highly educated words of misunderstanding, assumptions, presumptions and speculation, the law has become a means to suppress and oppress the meek and lowly in spirit. Even though God Almighty creates the law, Satan and his workers of iniquity have used the law as a means to confuse and oppress.

Now that I am in Christ Jesus, I am no longer under the law; but I now know what sin is, for the sin that is under the law deceived me and brought about a life of suppression and oppression. When I sin, I do the things I do not want to do, like drugs, drinking, smoking, profanity, adultery, fornication, and so on. I could not do

those things that I wanted to do. I wanted to quit drinking, doing drugs, I did not want to break the law and go to court, to jail, to this program and that program and so on. I did not like those things I did, that I knew were wrong, but I did them anyway because of sin that reigned in my flesh.

1 Corinthians 15:55-57 "O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, which giveth us the victory through our Lord Jesus Christ."

Through the law of God, I know the law is spiritual. Though I through the self-natural human spirit mind did not understand the law and sin, my mind was a slave to sin and the servant of sin. The sin that dwelled in me and kept me subject to those things I did not want to do, like breaking the law, is now no longer me breaking the law, but the sin that I am a slave to. Now I know that the law of the world (constitutional order) was coming against my mind. I now put the Blood of Jesus over my mind and put on the mind of Christ.

I now know that through the mind of Jesus Christ who is now in me, I am no longer a slave to sin and those laws of the world (constitutional order). I now put on the

new man, through the Blood of Jesus Christ and am no longer a servant of sin. I no longer seek those things that are of the self-natural human spirit, but I now walk in the Spirit of God. I no longer fulfill those things of the self-natural human spirit and am no longer subject to the ways of the law that leads one to Death.

The law of the Spirit of life, through putting on the Blood of Jesus has made me free from the law of sin and Death. God sent His dear Son, Jesus Christ to die on the cross in the likeness of sinful man and for sin and condemned sin in the flesh. The self-natural human spirit mind is an enemy against God, for it is not subject to the law of God, or can be. Those who live according to the mind cannot please God. So then if Christ be in us, the mind is dead because of sin. We learned from the law, this is the first death. When we have put on the Blood of Jesus, which gives us the new man, Christ Jesus, we are led by the Spirit of God, and now we are sons of God, because the Holy Spirit now resides in us.

Now that we are heirs of God and do walk in the Light, because Christ Jesus is our Light, and the Blood of Jesus cleanses us from all sin. This enables us to fellowship with each other as sons of God. We now have the word of God, abiding in us and the Spirit of Truth will

guide us in all Truth. Now we know that sin is a means to draw close to God as we sin, but is not a free pass for us to sin. The Holy Spirit of Truth, Comfort, and Love will teach us all things and lead us in the Light, through Christ Jesus. Whatever the Holy Spirit hears from God, He shall speak and teach us things to come. Thus, we have the washing of God's word. The Truth that is in Christ Jesus shall sanctify us by the words we hear and the words we hear we will do, because we want to please God. Gods will, according to Gods way, Gods time and all we do is for Gods Glory. Therefore by putting on the Blood of Jesus Christ and doing God's will, not our own self-free will, we become sons of God! Amen.

There is a big difference between free will and self-free will. I want to express that through one's self-free will that the self-natural human spirit and self-natural human spirit mind, will send us on our way to eternal Death. Self-free will is the will of the self-natural human spirit and mind. One may choose what he or she wants in this world through the self-natural human spirit. You may think that you are of your own will and through your self-natural human spirit decisions, but you are free to choose Death. There are two kinds of

death. Death that is eternal separation from God and death that is of the mind.

How can one say, "I know what is best for me!" Doesn't God have the blueprints to life and life everlasting and more abundantly? More abundantly is a life selection by God Himself; God chooses whom He will according to the condition of a person's heart. To choose self-free will, one may decide through self-natural human spirit and self-natural human spirit mind to make certain decisions and find themselves and surely die.

Where does one's own self-free will come from, a source, an image, an idol, a child, or a man. Explain to me the wants of a child or a man, an image or a source. Explain to me the wants of those who are in this world. To many wants in one-place leads to destruction, take a look around you. Why, would one want to choose their own self-free will that leads to Death? Free will means choose your inheritance; it does not mean choose what you want to do, choose either God or Satan. I also want to say that God made each man one woman. God did not say, "Hey guys here is a few billion girls choose which one you want!" I am curious, "Have you found your soul mate yet?"

Everlasting life comes and comes more abundantly through the Lord Jesus Christ! For in choosing your inheritance of life and life more abundantly, and life everlasting, you come to know the Lord Jesus Christ and the Most High God? That is to say that you are of the Lord Jesus Christ in the first place, through the seed of Adam came the Lord Jesus Christ, unto David a prophet and a King. One may choose his or her death or life by recognizing who he or she is and whom he or she belongs to.

Romans 8:5-8 "For they that are after the flesh do mind the things of the flesh; **but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace.** Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. So then they that are in the flesh cannot please God."

When Adam and Eve were in the Garden of Eden, God told Adam not to eat of the tree of the knowledge of good and evil or he would die. Adam and Eve ate from the tree of knowledge of good and evil and their eyes were opened. They gave place to disobedience, which is a devil spirit. The unconscious and its presence, embraces the

mind and corrupts the intelligence; intelligence can only come from God, and not from a book, a Bible, a preacher or some other devil that calls himself a son of God. For no marvel, Satan transforms himself into an angel of light. So we should not be surprised to see his ministers as ministers of light.

The Devil is a great deceiver and has been using people for centuries to deceive many into believing that one must be taught by some man in a church to teach them the ways of God. God himself will teach us through the Holy Spirit. Now do not get me wrong here, we all need someone to get us started in the basic teachings of the Spirit to get us on our way to walking in the Spirit. For God set in the congregation Apostles, Prophets, Teachers, and Ministers to teach us how to grow into the word, which is within God!

However, by no means are we to go to some hypocrite church every sun day or Sunday and listen to some self-righteous man interpret scriptures through the self-natural human spirit mind. These people in the churches have gotten more and more greedy and deceptive throughout the years, that only a fool would not recognize the wolves in sheep's clothing with their lies and false doctrines. They claim they know God and

have the Holy Spirit, but they deny the Truth that is in Christ Jesus and using His Blood. Truth is more than meetings on Sunday, sermons, church congregations, workers of evil, and the Pope. A man is not even supposed to lead a congregation until he is at least thirty years old.

Numbers 4:3-4 "From thirty years old and upward even until fifty years old all that enter into the host, to do the work in the tabernacle of the congregation. This shall be the service of the sons of Kohath in the tabernacle of the congregation, about the most holy things:"

Jesus did not start His ministry until He was 30 years old. I was 33 and a half when the Lord chose me and set His Glory on me. I am now doing the will of God, according to His way and His time, for His Glory. Ministers are ordained by God and are taught by God through the Holy Spirit, not by the Pharisees and Sadducees of our time. We are not to learn from theology, philosophy and all their other false doctrines that they study and sale to others. Out of darkness comes a lifestyle of congregation, a religious festival of a sea of self-righteousness or should I say unrighteousness.

How can one be righteous through the self-natural human spirit mind? The Lord Jesus Christ is the only one that is Righteous; if you want to be righteous, you have to come to the Lord Jesus Christ and His precious Blood. Preachers, Priests, Chaplains, Reverends, the Pope and a number of other deceitful workers of evil, such as the Pharisees and Sadducees of our time, have led so many people that are simple and lost, astray. With their false doctrines that they call the word of God, the word of God comes from God.

Than we have the money trail, that comes with tithing, tapes, CD's, DVD's, the offering plate, and so on, for their own selfish needs. Ask a Christian for some money out of his or her own pocket sometime, better yet ask them for a place to sleep for the night and see what they tell you. The Pharisees and Sadducees of our time, here in the 21st century are the very hypocrites that are living amongst a generation of hypocrites. Today, everyone is saved and everyone knows Jesus Christ. Really! About 76% of Americans confess that they are saved and about 60% of those say they are born again. Okay! I hope one may realize that isn't Truth!

So many people here in Jerusalem (America) claim to know the Lord Jesus Christ and Almighty God,

but in works, they deny the both of them. When you are a hypocrite, you live the life in the spirit of a devil. Those who believe they are saved and born again in the church buildings and out of them and believe they have the Holy Spirit and Jesus Christ living in them. These people are so deceived by the Devil and Satan's ministers that he has given them a spirit that acts like the Holy Spirit and they don't even know it. They truly believe they are born again and have the Holy Spirit, but they do not. There are many devils and demons living amongst and in the houses (bodies) of those on this earth and yes even if you who are a son of God, you can have a demon spirit attack you.

What is sin and what are demons and devils? Sins are things like doubt, unbelief, disobedience, greed, lust, fear, frustration, and so on. When one sins, he opens a crack in his temple and a demon or devil that comes with that sin moves into his house or body. This eventually leads to devil possessed, obsessed, oppressed, and suppressed and so on. I will talk on this more later.

The image of a hypocrite is considered by the appraisal of his fellow demonic friends and the devils that work with him. Many people think and believe they have the Truth, but they are captive to their own belief

systems, the Devil, Satan and their own self-natural human spirit minds. An image is something one longs to be other than that what he or she was intended to be. One can see where that will take you in the ways of deceit. I do not need to tell you what deceit is.

The Holy Spirit is a means to hope in a generation of carnal minded hypocrites leading those of God astray in the church buildings and government. Our adversary the Devil and Satan are waiting to consume you, me, and our carnal minds. The devils seek to kill, steel, and destroy whomever they can. I hope to lead you to another dimension and another realm, the third Heaven where there is forgiveness of sins and a means of keeping those evil spirits from dwelling within you. This is not forgiveness that has been taught in the synagogues or churches.

This thing called; just ask Jesus into your heart is from the pit of hell and is not the doctrine of God, but the doctrine of a devil. We all know by now what church is all about; greed, money, self-righteousness, self-exaltation, self-glorification, and a number of other devils and demons.

These devils and demons will lead one into a pit of corruption and eventually the pit of Hell. Corruption is

an inhabited presence of one's own understanding relating to an in genuine relationship with one's own ideas and thoughts of others set forth by that of the Devil and Satan. I am speaking of your own self-natural human spirit mind. A person's own personality or rather one's own mind brings about a life of corruption relating to one's own mind that is of the self-natural human spirit.

Thought is nothing more than corrupting one's self and allowing the Devil and Satan a way to entice and torment your mind. Thought is the act or process of reasoning or judging one's own self-natural human spirit or that of a deity. When one thinks of how he or she feels for example, one brings about powers, principalities, dominions, demons, devils, and all kinds of workers of iniquity and transgressions that corrupt the mind.

The process of judging one's self and forming an opinion and how one may feel, through the identity of emotions is a sin within itself; it is called self-condemnation. We are not to judge ourselves according to the self-natural human spirit mind. One's own emotional past, through a vain imagination is corruption throughout a generation of corruption and heathen. Before anyone is to say how he or she feels, they must reflect on their past. A past full of trying to find one's self

through a system of lies, deception, analyzing, judging, comparing, and so on.

To reflect on one's past, you are giving place to the schemes of the Devil and Satan. We are to forget those things of the past and reach for those things that are in the present. The kingdom of Heaven is now and we walk in the Spirit now, according to the way, the Holy Spirit leads us and directs us. There is no future in reflecting on how one may feel and the feelings in the past. The mind is susceptible to involving you in an emotional state of demon and devil possession, obsession, oppression and suppression. This is a means to keep you at an emotional feeling state, so that you will continue to dwell in the past and the things of the past. The past is nothing but corruption and a means to inhabit oneself with demon and devil spirits.

One can look back at history from the time God created Adam and Eve until now and we have seen nothing but the memory of corruption and we continue to reinvent the past every day. What has your self-natural human spirit mind and the memory it holds of a corrupted past and those things of the past brought you this far? Here is a history lesson. Sodom and Gomorrah were annihilated because God could no longer let them

do their own thing. If God had continued, letting them do their own thing no one would have lived. Look at Noah and his day's only eight people were righteous enough to be saved. Everyone else insisted on doing his or her own thing. Let us look at why one must not do their own thing during this time that Satan and his devils are on this earth.

The self-natural human spirit and the mind are one's own perception of relating to others and how they feel on an emotional level and comparing one's self to a group of words at any given moment in time. Words you say, yes! For someone to think how one feels is a means of eternal Death. To think of thought, the carnal mind, in absolute terms, is essential in a time of evolving. An evolving way of growing into a realism of thought and a pattern of degenerating one's self exclusively too thought. Although one may think, he realizes his own ability and the ability of self-natural human spirit mind; we cannot measure thought or even place where it comes from.

The capacity to generate new thought through one's own imagination and that of the Devil and Satan becomes a series of reflections on circumstances and an alienated substance of searching for one's self. "Have you

found yourself yet?" The question people are asking themselves, “Is there something wrong with me?” as they see the world as we know it, falling apart. People’s hearts don’t agree with allot of what is going on around them. Those who want to control others get the majority to feel like the minority through propaganda, the media, politics, etc. This gets one feeling like there is something wrong with them. This is how brainwashing begins. An example of this is how feelings and emotions can get someone to do something they do not want to do.

Endless amounts of memorizing useless things taught in a corrupted school system of psychological and metaphysical nonsense has brought about children that are learning to hate authority and have no interest in learning brainwashing systems of devils and demons. We spend our whole lives trying to cram more useless stuff in our minds and our children’s minds and try to recall it to thought and the cycle continues. This book will teach you how not to think, instead of what to think. Continue to give place to your mind and your own belief system that you have generated from thought, vain imagination and the brilliant minds of this world and you will surely die.

The devils and demons that come and inhabit one's body through giving place to words of thought are beyond one's own understanding. I will tell you right now that those brilliant minds that are in the world giving you their own understanding according to Satan, the Devil and his devils will never give you the understanding of God! Praise God! Glory be to God! These so called brilliant minds in this world are only going to give you enough understanding to keep you in a system of lies from the Devil.

Advantages of a legalistic world under a new reformed Roman law and Babylonian codes in this generation of heathen has given us a system of lies and a means to send you on your way to eternal Death. The Roman Empire moved from Italy and now resides here in Jerusalem (America), this Beast that comes out of the earth has made an image of the old European Beast and will soon go into destruction. Technically we have a separation of church and state, but we are a Christian nation. Christians at lower levels run our government and also are our social structure within the church (congregation). The government system we have now is set up just like that of Rome and is changing into a system I call Corpocracism.

Corpocracism is a word derived from some entities of democracy, capitalism, classism, and corporatism to form a government system into a dictatorship and police state. This system is being brought about by a group of people in our own government, corporations, financial institutions and foreign entities. It is an ideology of hypocrisy that is leading to a Jerusalem (America) that will sell off every aspect of its nation's people to be captive to foreign entities such as corporations, governments, lawyers, financial institutions, banks, individuals, and groups of individuals. In its beginning stages working towards a free market in a global economy; capital goods, land, labor, and money will be protected by the state. The state will enforce ownership of sovereign property, intellectual property, private property, etc. and make us dependent on the state through foreign ownership of property.

This will bring about a dictatorship and police state that holds both law-making power and the ability to claim ownership over property. One of the major aspects of Corpocracism is the institution of the law in establishing and protecting private property, especially private ownership of production. This system will force

the weak and poor to accept the government of a dictatorship and a police state and pay them for protection. As I speak we are being conditioned to be slaves through state control over all aspects of life such as political, social, cultural, and economical systems.

Corpocracism has aligned itself with corporations, financial institutions and foreign entities to form economic oppression that silences opposition (don't ask questions), judges personal behavior, promotes racism, classism or other means to attempt the concentration of power through the media and create hate towards the enemies of the state. Corporations would have us believe that by an ideology such as Corpocracism we would have the freedom to choose what we consume by how one spends their money and this is the best way to meet people's material needs. But the economy does not respond to our needs. It responds to how much profit a corporation can take in.

This is why corporations are pushing for a free market and global economy. Take research and development for example. Most research and development done by drug corporations are funded by the public. Allot of research and development is funded by public money to bring us NASA, science, education,

etc. Funding for marketing is usually taken up by the corporations once something is developed with our tax money. Once something is developed like prescription drugs which are devil spirits, than the corporations seek to monopolize the product for their profit and intellectual property rights. By establishing property rights, free trade agreements, patents and other means of controlling the economy and the marketing of economic products benefits Corporations producing profit.. By using state power, such as laws, courts, police, military, etc., fear and violence one can develop something, then they can place laws and remove procedures so no one else can take or better the development of the property. Congress recently passed a law making it so the drug companies are exempt from paying taxes for the next 50 years.

As of now people are given the ability to choose their wants (lust of the flesh) making it easy for corporations to stimulate, manipulate, and exploit your self-natural human spirit mind. This is why people are over worked, stressed, and tired and have given place to devils and demons that are invading their relations with their neighbor and the Most High God. The authorities involved in Corpocracism don't care about the poverty in

the inner cities caused by our open borders to Mexico and South America or the social problems like lack of housing, cheap wages, no benefits, drug addiction, the mentally ill or those just released from jails and prisons. They actually create poverty through austerity, policies, control of monetary systems, economies, etc. They are more concerned with the question of land titles and development of housing for the rich and those who own the land. They want to take care of their investments.

The government and financial institutions use the law, police, even the army to protect their investments. They abandon the poor; give them just enough to keep them homeless, but not starving. Rescue Missions, churches, welfare, human resources, state, and local government programs are set up to funnel money to different organizations, institutions and individuals for their own greedy wants and needs. The hypocrite churches, Christians and other religious sects don't help individuals, but also do the same as financial institutions.

Legalism has brought about suppression in a sense of gathering information in a way of causing confusion and fear to those who are already oppressed. When one or a group can form an opinion out of self-natural human spirit mind, the Devil and Satan, make it a

law that suppresses those who are already oppressed, there is definitely something wrong. Lawyers have taken away the key of knowledge and understanding. They have brought down the simple, through legalistic terms, laws, statutes, reforms and a structure of words and grouping of words to bring about a demon spirit of confusion and the devil spirit of fear to those who are uneducated and poor. The legal system is a means for banks and financial institutions to pass laws generating a way to stay in our pocket and control what you do.

I want to show you how words that are evil spirits in the legal system have brought about the world we know today, from politicians to non-governmental agencies, from police to the military, etc. The forces of words and their ability to blind the minds and the understanding of the meek have generated an evil force of legalism. I hope to confirm a set of ideas that are not of this world (constitutional order).

Opportunities that arrive from a legal system can and will help us to understand who the Devil and Satan really are. Critically speaking legalism is a system of analyzing information or words and documenting them to keep a record of your past. Gathering information is also a means to find out what you do, who you talk to,

where do you go, how do you spend your money, what interests your self-natural human spirit and the lusts of its pleasures. In this, big corporations can invent things and then market them to you, get you to use them in hopes of you breaking the law that they have created from your information.

Ever wonder why the average car can go 120 miles an hour, but the fastest speed limit is 80 miles an hour on the freeway? Ever wonder why it is illegal to drink under 21 years of age, but most marketing of alcohol is to those who are under 21 years of age? Now this is where feelings and emotions come in. Generating a bad or good feeling or a memory of a feeling, through marketing will get you to buy a product that will lead you to do something against the law, or against God. All this causes a system of fear, generating all kinds of demonic forces. Lawyers use assumptions, presumptions, and speculations to form opinions that use the legal system of demonic forces or words like fact to generate ideas and ideals for structuring a system of financial institutions. Groups of highly educated lawyers and politicians use their own interpretation through self-natural human spirit mind and gather data in a legal

system of devils that have brought about a way of oppressing and suppressing us.

Ever buy something you didn't want or really didn't need. I have; I just had to have it and when I got it home I used it a few times, than stuck it on a shelf, than later in a box. Let's look at lust of the eyes it goes well with pride. I've gone into a store in the past because I was bored which is a demon spirit, had my mind set on getting a couple things or other times I would go just to look. I would get to the store, walk the isles and bam it would hit me. I would see a nice blue shirt, I would look at the price and decide whether or not, and even though I could afford it, and really didn't need it I would buy it. Also the thoughts of the beautiful girls I seen on the way to the store and in the store wearing hardly anything would come into memory. I would think man I'll bet those girls would sure think I look good in this shirt. Now all the sudden I'm lusting or wanting some girl I don't know but I sure enjoyed looking at her. I decide to buy the shirt, call up my friends and say, hey lets go out on Friday night and look for some girls, so I can wear my new shirt and look good. All of a sudden, pride comes in I'm looking in the mirror, saying to myself, "Wow, I look good!" Then suddenly vanity comes in and I am thinking,

I won't have any problems getting a girl with my new shirt.

I get to the bar or a night club, drink a few drinks in my new shirt and proud of it. I start checking out some girls and really don't catch any of their attention with my new shirt. I search the whole night trying to get some girl to check me out, get a few looks, but don't get anywhere. All the sudden I'm feeling down and rejected, I get upset that I bought the stupid shirt in the first place. I'm wondering what people are thinking, I ask myself, "Do I look silly in the new shirt?" Fear comes in and I start getting uncomfortable and so on. Can you see where I'm going with this? God just allowed me to give you a glimpse of my past for this book, to show you some demon and devil spirits at work.

I put the Blood of Jesus Christ over the whole thing. What's done is done, what's past is past. I put the Blood of Jesus Christ over the past, Father give me the victory over the past in Jesus Holy name. I've said all that to show you the tactics of Satan and the tactics of the legal system. The legal system uses the tactics of forming words in a structure of laws that appeals to lust of the eyes, lust of the flesh, to pride to fear, using services, goods, marketing, sales, and price wars and so on.

Lawyers are used in businesses and corporations to set up systems that rob you and I of every dollar we have by the use of making advantages in taxes, tort reform, trade agreements, free markets, and the global economy. Have you ever asked yourself why S Corporations don't have to pay taxes but the poorest people in Jerusalem have to pay taxes? As a single man I pay 27% of my income in taxes. This doesn't include sales tax phone tax, property tax and so on. By the time the government, state, and city is done taxing me, I have about 50% of my pay check left and that's just the beginning. Then there is the question of affordable housing, a single bedroom house or apartment in any big city will cost you an average of $750.00.

Through the system used to set up companies, like the United States that we buy from and support, we become suppressed and oppressed. In the world we are bound by the law and those who put the laws in place and there is nothing we can do about it, because the financial systems own the world at this time. If you want to get elected into the Corporation called the United States all you got to do is get big corporations and financial institutions to fund you and you can make promises to them when you are elected. Through this funding you can

hire people that have gathered your information and target those people, through advertising, marketing and a play on words that appeal to your self-natural human spirit mind. All the sudden you're at the voting table voting for some guy you know is evil, but he is the lesser of two evils so you vote for him anyway. Now these people you have just elected can get some bills passed, policies, regulations, or better yet some laws passed that will help their interests and make them more money and make you less while giving them more control over what you do, where you go, and what you are able to have.

I hope you can see that how the paper trail of grouping words can set a path for destruction. The legal system is set up for all financial institutions to get you to buy their products, whether they are goods or services. These goods and services are used to get us to sin and break the commandments of God, so Satan, the Devil, devils, and demons can suppress, oppress, obsess, and possess us into eternal Hell.

Continue in your daily life through the self-natural human spirit and self-natural human spirit mind and see the mystery that has been revealed. Now the conviction of the Holy Spirit is with you and you will surely see the asunder of your soul. After reading, this

testimony of the Lord Jesus Christ, the Holy Spirit is now with you and will be with you, until the Day of Judgment. Unless you come to the Ministry that is in Christ Jesus and allow the Spirit of Truth to come into you and live in a house of God Almighty through repentance, baptism, receiving the Holy Spirit and speaking in tongues, your body will not be a refuge for the Holy Spirit. The Holy Spirit of Power, Comfort, Truth and Love wishes to reside in you and lead you on the way to everlasting life and life more abundantly. I hope today you will see that we do not preach Death to you, but have shown you how you will surely die. Now life has come to you through the words of this testimony and the witness of the Holy Spirit. Peace be upon you in Jesus Holy Name.

CHAPTER 2. SIN, DEVILS, DEATH AND THE BLOOD OF JESUS CHRIST

1 John 3:6-10 "Whosoever abideth in him sinneth not: whosoever sinneth hath not seen him, neither known him. Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous. He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God. In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother."

We live in a metaphysical world of endless amounts of theology, philosophy, counseling, programs, institutions, schools and other deceitful gatherings of information to use against you and I that seek to keep our thoughts captive. The people in this world have been giving place to their own thoughts as well as the Devil and Satan since the beginning of time. Have you got it all

figured out yet? How is it working for you? Do you really believe that you think for yourself? If this is so, why do you do the things that you do not want to do and do not do the things you do want to do? When one comes to a point in time realizing who he or she is and really investigates his or her own thought patterns, one may come to know who he or she is serving, according to the way one gives place to thought.

Let us look at the ability that one speaks and writes in a realm of unseen workers of demonic forces into our daily lives. When one realizes the ability of words in thought and the forces that come with this thought, one may come to know the capacity in which one speaks and what evil forces they are bringing into reality with those words. Greed for example is merely a word, right! Biblically it is also a sin. How about lying, it is a word and a sin also. Biblically it is also a devil spirit and the Devil is the father of lies.

John 8:44 "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. **When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."**

This passage shows us that there is more to lies than just the Devil. Greed is a devil spirit and so is lying. These two evil spirits are used by the Devil and Satan to systematically asunder your soul. Have you ever known someone that was greedy or lied allot. Why do you think they were this way? You or the person you know had that devil spirit. How about the words guilt and shame? Guilt is a way of consciousness that comes about through a system of bringing to thought iniquities and transgressions from the past back to memory giving place to devil and demon spirits. In order to make one feel guilty, this demon spirit brings about what the world calls emotions or feelings that make one feel guilty. This is the same with all devil and demon spirits. I am here to tell you that in times past, present, and future these sprits are usually born with us.

Many demon and devil spirits are inherited by our parents, explaining things such as bed wetting, alcoholism, drug addiction, blindness, etc. If both your parents are not both, Holy Spirit Born again, when you are born, which I know they are not, then you will grow up with these spirits. We inherit the demons and devils that they have, then as we live in this life we give place to others and inhabit those demon and devils.

Jeremiah 17:9 "The heart is deceitful above all things, and desperately wicked: who can know it?"

The Devil has not only deceived people in the world, but also Christians into believing that they are born into the hands of God. People curse God all the time for the way there lives are, but the truth is God don't have anything to do with the way there lives are. We do not become a child of God until we receive the Holy Spirit. Not all of us are born of God, even though we are all created by God.

2 Corinthians 4:4 "In whom the God of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them."

Have you felt as though you are trapped in a body that is not yours? Welcome to the bondage of Satan, the Devil, his devils, and demons. Ever thought maybe that the reason you do the bad things you do is because you serve Satan and the Devil. We must plead the Blood of Jesus; some people need hands laid on them by a Holy Spirit born again child of God, in order to have the demon and devil spirits cast out of them. Because some people have so many demon spirits, they become demonic, devil

possessed, devil oppressed, devil obsessed and devil suppressed. Possession is to be occupied by devil and demon spirits through the self-natural human spirit and mind, either with or without rights of ownership to be dominated or influenced by an idea, thought, feeling, emotion, etc.

Oppression is an exercise of authority or power through devil and demon spirits in a cruel or unjust manner using impositions in order to subdue someone's self-natural human spirit and mind. Obsession is a persistent disturbing preoccupation with an often unreasonable idea or feeling. Suppression is a way of being inhabited by devil and demon spirits through conscious and unconscious inhibition of a painful memory or idea to keep a thought, emotion, memory, etc. out of conscious awareness. The war is in our minds.

God is Love and God is a Spirit!

John 4:24 "God is a Spirit: and they that worship him must worship him in spirit and in truth."

1 John 4:8 "He that loveth not knoweth not God; for God is love."

God is love and God is a Spirit, therefore love is a Spirit. If we love one another than we have the Spirit of

God in us. So, what are these things we call feelings and emotions.

Names of devil spirits!

1. Spirit of infirmity

Luke 13:11 "And behold, there was a woman who had a spirit of infirmity eighteen years, and was bent over and could in no way raise herself up."

Therefore look! The LORD has put a lying spirit in the mouth of all these prophets of yours, and the LORD has declared disaster against you." (See also 2 Chronicles 18:21-22)

8. Deceiving spirits

1 Timothy 4:1 "Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons,"

9. Jealous spirit

Numbers 5:14, 30 " if the spirit of jealousy comes upon him and he becomes jealous of his wife, who has defiled herself; or if the spirit of jealousy comes upon him and he becomes jealous of his wife, although she has not defiled herself...or when the spirit of jealousy comes upon a man, and he becomes jealous of his wife; then he shall stand the woman before the LORD, and the priest shall execute all this law upon her."

10. Palsy

Matthew 8:6, 9:2 "And saying, Lord, my servant lieth at home **sick of the palsy, grievously tormented.** And, behold, they brought to him a man sick of the palsy, lying on a bed: and Jesus seeing their faith said unto the sick of

the palsy; Son, be of good cheer; **thy sins be forgiven** thee."

11. Lunatic

Matthew 17:15, 18 "Lord, have mercy on my son: for he is **lunatic, and sore vexed**: for ofttimes he falleth into the fire, and oft into the water. And **Jesus rebuked the devil; and he departed out of him: and the child was cured** from that very hour."

12. Distressing spirit

1 Samuel 16:14 "But the Spirit of the LORD departed from Saul, and a **distressing spirit from the LORD troubled him."**

13. Spirit of ill will

Judges 9:23 "God sent a **spirit of ill** will between Abimelech and the men of Shechem; and the men of Shechem dealt treacherously with Abimelech,"

14. Rebellion

1 Samuel 15:22-23 "And Samuel said, hath the LORD as great delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey is better than sacrifice, and to hearken than the fat of rams. **For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry**. Because thou

hast rejected the word of the LORD, he hath also rejected thee from being king."

15. Spirit of divination

Acts 16:16 "And it came to pass, as we went to prayer, a certain damsel **possessed with a spirit of divination** met us, which brought her masters much gain by soothsaying:"

16. Palsies and Lame

Acts 8:7 "For unclean spirits, crying with loud voice, came out of many that were possessed with them: **and many taken with palsies, and that were lame**, were healed."

17. Spirit of an unclean devil

Luke 4:33 "And in the synagogue there was a man, which had a **spirit of an unclean devil**, and cried out with a loud voice,"

18. Sickness and Disease

Matthew 10:1 "And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of **sickness and all manner of disease."**

19. Perverse spirit

Isaiah 19:14 "The LORD hath mingled a perverse spirit in the midst thereof: and they have caused Egypt to err in every work thereof, as a drunken man staggereth in his vomit."

The most common devil spirits are emotions and feelings.

Romans 7:5 "For when we were in the flesh, the **motions of sins**, which were by the law, did work in our members to bring forth fruit unto death."

Motions

G3804

From a presumed derivative of G3806; something undergone, that is, hardship or pain; subjectively **an emotion** or influence: - affection, affliction, motion, suffering.

G3806

From the alternate of G3958; properly suffering ("pathos"), that is, (subjectively) a passion (especially concupiscence): - (inordinate) affection, lust.

G3958

Apparently a primary verb (the third form used only in certain tenses for it); to experience a sensation or impression (usually painful): - **feel**, passion, suffer, vex.

Episcopalism, Nazarene, Mormonism, Seventh Adventist, etc.

Here is a short list of the structure of these evil spirits and how there hierarchy works to possess, oppress, obsess and suppress one into the depths of hell.

Devils and Demons!

1. **Possession:** One of three high ranking Devils that takes an involuntary and unaware state of one's soul and controls a person with various demon spirits.

A. **Unbelief**: Doubt,
B. **Idolatry:**
C. **Fear**: Worrying, loneliness, anxiety, shyness, sensitivity, stage fright, nervousness,
D. **Addiction**: Alcoholism, drug addiction,
E. **Handicap**: Deafness, blindness,
F. **Mental Disease**: Manic depression,

2. **Oppression:** One of three high ranking Devils that systematically forces the state of dominion and cruelty with demon spirits and limits and restricts one's will.

A. **Pride**: Debate, contention, arrogance, haughtiness, greed, shame, guilt, boasting, high mind ness, head strong, vanity

B. **Anger**: Hate, frustration, jealousy, violence, brawler, malice, resentment, stubbornness, impatience, provoking, swearing/profanity, rape, wrath,
C. **Condemning**: Judging,
D. **Confusion**: Stress, absent mind ness, forgetfulness, stupidity, discouragement, immaturity, wandering mind,
E. **Rebellion**: Love of money, laziness, unforgiveness,
F. **Sadness**: Sorrow, self-pity, self-burdens, depression, bitterness,
G. **Sickness:**

3. **Obsession:** One of four high ranking Devils that is persistent, intrusive and controlling ones thoughts, ideas, and impulses thru many demon spirits.

A. **Lust**: Adultery, fornication, envy, perversion, arousal, horniness, love of self-pleasure,
B. **Deceit**: Lies, double mind ness, delusion, stealing, coveting, false witness, hypocrisy, fables, philosophy, temptation, misunderstanding, foolishness, silliness, false doctrine, slanderer, whisperers, backbiters, self-condemnation, complaining,

4. **Suppression:** One of four high ranking Devils that subdues, overpowers, crushes and destroys by concealing, retaining and by not revealing; disclosure.

A. **Lust**: Adultery,

1 John 4:1-3 "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world."

There are over 3000 devil and demon spirits and a lot of them are sins, but not all devils and demons are sins. But if we allow sin to overcome us with demon spirits than big devils that are not sins can enter into us. The devils and demons in a person do not make him evil, but the condition of his or her heart is what makes a person evil. When we become Holy Spiritual children of God we have a ring of fire around us and are encamped with angles to protect us from the really bad devils from

harming us. The four big devils are possession, oppression, obsession, and suppression!

The devils and demons in this list are according to the world. There is of course Godly fear, sorrow, wrath, jealousy, anger and so on. Satan's ministers use demons and devils that are at an emotional and feeling state. They share their personal past, difficult life conditions and pain, and then overwhelm their victims with the devil spirit of fear and death. Bringing people to this thing they call the sinners prayer. The scriptures show many examples of what a demon spirit is. Dumb, deaf and blind spirits are devil spirits that need to be cast out in Jesus name. You can't cast out demon and devil spirits though, unless you have power to do so through the Holy Spirit.

Deceiving, lying and jealous spirits are emotions and feelings and are also sins. Since, we know that emotions and feelings are devils and demons and also sins. Then we can put the Blood of Jesus Christ over every part of them, and get rid of them. This is what it means to repent. Like we discussed earlier, sin is a means to grow close to God and the law was originally given to us, so we would know what sin is. This was before the lawyers made the law as a means to make money and making it hard to know what sin is. For example let’s say, I get

jealous, I can put the Blood of Jesus over every part of jealousy, ask God to have mercy on me and forgive me for jealousy in Jesus Name. Then ask God to give me the victory over jealousy in Jesus name.

Why is it so important to know what the names of demon and devil spirits are? If we are able to recognize the sins and demon/devil spirits that are in us, we have more power through the Holy Spirit to get rid of them. We can name them, put the blood of Jesus over them, ask God to forgive us of those sins that are devils and/or demons and ask God to give us the victory over them in Jesus name. All those demon and devil spirits work together to lead one to confusion and fear. Fear and confusion are used to possess, oppress and suppress people and keep one in thought.

Walking amongst the dead is a way of staging oneself along a path of destruction, according to the ways of the Devil and Satan. Satan's tactics have always been the same. He uses lust of the eyes, lust of the flesh, pride, and fear to keep you and those around you captive to thought and your self-natural human spirit mind. Pride is a devil sprit used to inordinate one’s opinion of one’s own dignity, importance, merit or superiority. Pride comes about with other evil spirits like haughtiness,

conceit, arrogance, vanity, etc. Lust is an evil spirit that comes with an intense and overwhelming desire for something or someone. Fear is a devil spirit that systematically causes evil spirits such as doubt and unbelief, whether they are imitative or material. The Devil spirit of fear is a way of possessing one's soul and causing a demonic force of a distressing emotion aroused by impending danger, evil, pain, etc.

Isaiah 45:11 says, "Thus saith the LORD, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me."

This is an example of the prayer I used to draw near to God, through the Blood of Jesus Christ! I used this prayer for about five months according to the weaknesses I had at the time. Start with Praise God! Thank-you Jesus! Glory be to God! Jesus is Lord! Praise be to Jesus! Hallelujah! Etc. Say this over and over.

Put on the Blood of Jesus Christ!

1. I put the blood of Jesus over every part of this building or house. I put the blood of Jesus over every part of the people in this building or house.

18. I put the blood of Jesus over defiance. Father, Holy God of Heaven give me the victory over all defiance in Jesus Holy name.

19. I put the blood of Jesus over self-glorification. Father, Holy God of Heaven give me the victory over self-glorification in Jesus Holy name.

20. I put the blood of Jesus over self-exaltation. Father, Holy God of heaven give me the victory over self-exaltation in Jesus Holy name.

25. I put the blood of Jesus over double mind ness, and instability.

26. I put the blood of Jesus over worries, frustration and stress.

27. I put the blood of Jesus over confusion, nervousness, tension and fear.

28. I put the blood of Jesus over boredom and loneliness.

I put on the breastplate of righteousness in God and His perfect will, which is love and peace. I shod my feet with the preparation of the gospel of peace and I will walk with God of Heaven rejoicing through time forever. I put on the shield of faith, wherewith I shall be protected from all the fiery darts of the evil one. I put on the helmet of salvation, which is the precious blood of Jesus Christ. 39. Start praising God: Praise God, thank you Jesus, Hallelujah, etc.

Conviction! (Convictions are things like pressure in your head, flu like symptoms, pain in some part of your body, etc.) When I get a conviction? I put the blood of Jesus over every part of me. I put the blood of Jesus over all your sins. (Ask God) Father, Holy God of heaven, "Is there something you want me to know." If He says, "Yes!" Then ask, Father, Holy God of heaven, "What do you want me to know?" He will give you the sin. Then you can put the Blood of Jesus over every part of that sin. Father I command you in the name of Jesus to soften his/her harden heart and avenge him according to your will and ways. God bless him/her with your perfect love and perfect truth in Jesus mighty name.

If God wants you to pray for someone that is not in the ministry!

Say this! I put the blood of Jesus over every part of that person. Father, Holy God of heaven wash them in the blood of Jesus, forgive them of their sins, have mercy on them. Have your perfect will in every part of them in Jesus Holy name. Set them free from all captivity that is in the Devil and Satan. I put the blood of Jesus over there harden hearts. Father, Holy God of heaven soften their harden hearts according to your will and ways. Bless them mightily with your perfect love and perfect truth in your Son Jesus Holy name.

The reality of one's soul possessed, oppressed, obsessed and suppressed by evil forces of demons, devils, Satan's and forces of darkness do assuredly asunder one's soul. One may not understand the forces of evil through the self-natural human spirit mind, but life, as we know it, is under attack by evil forces that we speak and read every day. We have all heard the saying, sticks and stones may break my bones, but words will never hurt me! Wrong!

By the words we speak or read we bring about demons and devils through those words, and those words bring about demons and devils that attack who ever receives them or whoever they reside in. Evil spirits are not out there somewhere in the sky, they are in our vocabulary and walking amongst and in everyone, you see. By the words we speak and keep in our minds, we bring about a way of demonic forces and attacks that are not seen in this dimension. If our eyes were opened to the forces of good and evil spirits at war in another realm or dimension, then our minds would not be able to contain it and we would die.

One may say, "I know what is real!" Maybe in a material world. The self-natural human spirit mind is so corrupted with evil forces of speech and writing, thought

and reading, that most people do not believe what they see and hear anymore anyway. It is called the demon spirit of confusion and goes good with the demon spirit of wandering mind. People speak and read as a way of passing time or to look important, to present a false image.

When we receive the Holy Spirit, we receive the Word of God, and we are able to speak words of Truth. As we can see words themselves are not bad, but the kinds of words we speak may be bad. When we have the Holy Spirit, we speak what we hear from the Holy Spirit and the Spirit is Truth. When we speak out of the self-natural human spirit, we excuse ourselves and justify our actions, beliefs, and the recall of memory according to thought.

Our memories are a database of stored emotions and feelings that are useless to bringing us to a state of life, and life more abundantly. One can give place to thought and the ways of the Devil and Satan by constantly recalling those evil things that are in our self-natural human spirit mind. We can come to the understanding that thought is a mere dimension and realm of demons and devils. There are three realms, and there are nine dimensions in the first realm alone. You

really think you create your own thought. Evil spirits that inhabit the self-natural human spirit mind and the body are working overtime to find a house in this dimension. Continue to give place to thought and a life style of demonic spirits and you will surely Die, but most people are spiritually walking dead anyway, right!

Do not give into the system of educating yourself with endless amounts of evil spirits that are in this age of gathering information and worldly intelligence. People have been lying to themselves and those around them for centuries in order to present a false image of them, without knowing that this image brings about devils and demons that hinder us to fear. What latest fad are you following today? Who do you want to be today? How about a child of God? Praise God!

Who do you idolize your self-natural human spirit mind or some creation the Devil and Satan have created in some human image? I am telling you that the self-natural human spirit mind can and will adapt to the indwelling of demon and devil spirits or should I say the devils and demons will adapt to the image your self-natural human spirit mind thinks it wants to be today. We must first give place to sin that comes with a demon spirit. Not only are we carried away in sin by evil forces,

but also we are given into the reality that is not seen. What is reality anyway? It is an evil force that is also a devil. Sicknesses, diseases, mental diseases, cancer, addictions, and so on are all devils and demons. We do not need doctors, psychologists, counselors and all this foolishness that is in the world.

Through the precious Blood of Jesus, we are made whole. Give time to the healing Blood of Jesus and you will be made whole. I give you a way and a will that is promised to those, who seek Him and in His Blood you may see the hope that is in Christ Jesus. For He died once that we all, through Him would have everlasting life and life, more abundantly. Amen! In His Blood is life, life everlasting, and more abundantly. In times past you were dead to sin and now is the time for the fulfillment of the law and sin unto everlasting life. Give time to those who seek you and you will surely Die. For sin is Death, but everlasting life is in the fulfillment of sin and sin abolished in the flesh by the death of Jesus Christ.

When one may see the hope that is in Christ Jesus, he or she may have hope that is also a knowing of Him that raised Him from the dead and quickened His Spirit. When one can understand that sin is a fulfillment of the law and that the law raised up Christ Jesus, we are able

to understand why we sin, and sin can bring us to life and life more abundantly. Jesus said I come not to bring peace, but a sword. We are in a serious time and the heathen in those church buildings and Rescue Missions that keep telling you that the end times are here, are right! The end times are here for the devils, demons, and souls that refuse to come to the Lord Jesus Christ and in using His Blood. We are not here to love devils into the kingdom of Heaven. We are mighty warriors; we come with boldness and the power of the Holy Spirit and the power of Jesus Christ.

Sooner or later one has to realize that he or she is not their own. He or she is either of the self-natural human spirit, self-natural human spirit mind, the Devil and Satan, or the Lord Jesus Christ and Almighty Creator God. Take a moment to speak to yourself and listen to the thoughts that come about in your own mind. Think about yesterday or last week. What the world calls negative or positive thoughts that you just dwelled in are devils and demons. I hope today is a day of reckoning for those who believe in a God that is revolutionizing the way we think. This book is not intended for those who are of Satan, but for those who are the children of God. God will open the eyes and ears of those who are of God and you will

understand what is in this book. But those who are of Satan, He will keep blind and their ears shut. We must turn our minds off to those evil forces that we speak and read every day and open our eyes, ears and hearts to Almighty God! Free your self-natural human spirit and mind from all thought and the corruption that thought brings in another dimension.

Where would one be today if he or she knew the depths of the Almighty Creator God? Take a moment of your time to see an envelope of ideas unfolding right before your very eyes. Open your eyes to the TRUTH that has been hidden for centuries. This TRUTH has endured with much long suffering and affliction throughout time as we know it. Take time to turn off your self-natural human spirit mind to those demons and devils and open your heart to the unfolding TRUTH that is in Christ Jesus and in using His precious Blood. This is not some philosophy or mind games of emptiness or Buddha, this is not a religion or any other mind exercise, but a means to hope in this time of darkness. My fellow brothers and sisters that are of the House of Israel, today is a day of reckoning and a way to the Most Holy Place of all. Recognize that life everlasting and life more abundantly are in the Blood of Jesus Christ and using it.

Matthew 12:34, 37 says, "O generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh. For by thy words thou shalt be justified, and by thy words thou shalt be condemned."

Teachings of scriptures through the self-natural human spirit mind has brought about over 1200 different interpretations, denominations and translations in this world of corruption and the hypocrites have made a lot of money at it. They are mixing truths with lies for their own benefit. These people have been speaking and teaching lies for generations now from colleges, to seminaries, to churches, to Rescue Missions, they are everywhere. The Bible is a compilation of several books and the words written in them have passed through the minds of men and are written according to the personality of men in the Holy Spirit. There has been in these books a compilation of the things of God, reproduced, edited, and translated in several ways. These men of the Bible learned the ways of God by living in the ways of God according to Gods will and time for His glory. Man, especially church people use scriptures or what they call

the word of God to engage themselves in different confrontations with the demon spirit of debate and the demon spirit of contention, to exalt and glorify themselves with the worldly knowledge they have of scriptures.

Jeremiah 8:8-9 says, "How do ye say, we are wise, and the law of the LORD is with us? Lo, certainly in vain made he it; the pen of the scribes is in vain. The wise men are ashamed, they are dismayed and taken: lo, they have rejected the word of the LORD; and what wisdom is in them?"

Matthew 15:7-11 says, "Ye hypocrites, well did Esaias prophesy of you, saying, this people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me. But in vain they do worship me, teaching for doctrines the commandments of men. And he called the multitude, and said unto them, Hear, and understand: Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man."

There were many people back in the time of the disciples that started with them, but then left the truth. This is how we have the churches that are deceiving and

being deceived! When I am speaking of the Bible, I am speaking of these church people that rely on scriptures for their walk, because they don't have the Holy Spirit. It is good to read scriptures for learning, reproof and correction, but, my point is if we did not have the Bible we could still learn the will and ways of God, from God, the Holy Spirit and Jesus Christ. Amen! Jesus Christ the same today also folks.

Every church building on earth is a synagogue of Satan. My brothers in the Lord Jesus Christ are all poor folks and we have all been homeless at one time or another for God's glory. None of us have gone to seminary or college and been educated by man and his false doctrine, but we have been taught by God. The trials and tribulations that we must go through are the will of God and are how we are able to learn the ways of God and mature in the Lord by walking in the Holy Spirit and learning from the Holy Spirit. As we learn the ways of God, we are able to help others learn through our trials and tribulations and the sure mercies of the Most High God. Our conversations are always on the things of God and the Kingdom of Heaven.

The washing of the Word of God (not scriptures) is what gives us life along with the washing of the Blood

of Jesus. By hearing God and being obedient to what God tells us to do is how we come to know the will of God and the ways of God! God didn't just reveal Himself to a few people and say to us, "Ok, Children of Israel here is a book that I am going to let man mess up, now you read it and learn about me!"

Hebrews 4:12 says, “For the word of God is quick, and powerful, and sharper than any two edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.”

Now Hebrews 4:12 does not say the scriptures are quick, powerful and sharper than any two edged sword. But it says the word of God! How are reading scriptures to someone going to discern the thoughts and intents of the heart? For those who are contained to learning the ways of God just by reading about Him they are really missing out on a wonderful God who wants to manifest Himself to you. God is calling out to His children pleading with them to listen to Him and hear His words of wisdom. God is expressing that the word of God is in a conversation with Him. Through the conversations with God, His word which is Him speaking to us through the

Holy Spirit and His Son Jesus Christ (not someone reading a book to us), we can know the wisdom and knowledge of God and be cleansed by the washing of His Word.

Do you believe Moses, Jesus, David and the disciples carried a Bible with them everywhere they went? Saying to the people, "You better read the word of God!" How about the Apostle Paul? Maybe Paul and Timothy would go to the local book store in Corinth ever so often and buy the latest version of the Bible. So they could understand the scriptures better or read them easier. Paul and the disciples were taught by the Holy Spirit, Jesus and God. Before I received the Holy Spirit, I would read the Bible and be confused like the Christians and the other church people. Confusion is a demon spirit and is not of God. God has allowed the scriptures to be made into all these different versions and allowed man to change the meaning of scriptures for a reason. We are to rely on the Holy Spirit, Jesus, God and those taught by God to teach us. Also, those who are not of God cannot understand the things of God. Have you heard of faith?

There is going to be a separation starting soon. The goats (Christians and church people) and the sheep (children of God) will be separated, and the sheep will be

together in the mountains of Jerusalem (America). Those who think they are of God, because they read scriptures and go to Satan's synagogues on Sunday have a rude awakening coming in the near future. Woe to you Christians, you walking dead, you zombies of Satan, you goats prepare yourselves for the Truth. Throw your Bibles in the garbage and come to know God. Life is in the Spirit not the letter.

Titus 1:11-16 says, “Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake. One of themselves, even a prophet of their own, said, the Cretians are always liars, evil beasts, and slow bellies. This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; not giving heed to Jewish fables, and commandments of men, that turn from the truth. Unto the pure all things are pure: but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate.”

The Cretians are a good example of the church people that we have today, because their minds are naturally given to lies and deceit. Also because of certain learned traditions, manmade rules, ceremonies, regulations and a church made legal system who under a pretense of godliness have combined them with the Gospel. Thus, truths have become mixed with lies. They are giving into the ways of the world, (trust in centralized wealth, applying to men to rule over them, constitutional orders, members of corporations like the United States, coveting ones goods by way of government force, self-righteousness and so on) instead of the ways of God.

Purifying one's soul is not done with fables, ceremonies, reading out of a book or listening to someone read to you. Even though the Old Testament law, which is giving up goats, calves and lambs, washings and other tabernacle laws for sin, are not required of this generation, we are still to give up spiritual and physical sacrifices (if your neighbor is hungry, feed him, if he needs a coat and you have two, give him one, etc.). We still must have the washing of the Word (not scriptures) to cleanse our self-natural human spirit minds along with the Blood of Jesus!

If our minds, our self-natural human spirit minds are not clean, how can we be regenerated? Woe to you hypocrites, vipers, blind guides, fools, Pharisees, Sadducees, Scribes, Lawyers, workers of iniquity. You ministers of Satan. Your deceiving and being deceived has just begun, for you will continue being deceived and the LORD will bring delusions upon you. You children of Hell that are in these church buildings, you Catholics, Protestants, Baptists and all the other names you call yourselves, a.k.a. Christians, prepare the way for the LORD and repent. All scriptures, epistles and letters were inspired by God, through the Holy Spirit.

2 Timothy 3:16 it says, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:"

The Holy Spirit is not God folks. There are three of them, The Father, the Son and the Holy Spirit. Once again, another lie from the pit of Hell. This thing the Christian's call the trinity, or like an egg (all three separate, but all one God). Now if you read scriptures through your self-natural human spirit mind, just about anyone can interpret some verses into this thing called the trinity. But, that is not the interpretation of the Holy Spirit and

the trinity is not scriptural or sound doctrine, but a doctrine of devils. The Holy Spirit is separate from God and Jesus. Christians believe that the Holy Spirit is God, so when men that have the Holy Spirit write scriptures they must be writing the word of God. Come on you fools! Where did you come from, the seed of Satan! We could take the Bible throw it in Lake Tahoe and still learn the will and ways of God by the Holy Spirit! But since you hypocrite antichrists don't have the Holy Spirit you cannot learn the will and ways of God.

God speaks to the Holy Spirit and the Holy Spirit speaks to us, thus we speak what we hear. This is how we hear the word of God. We don't go sit in one of Satan's synagogues (church buildings) and listen to one of his evil ministers read out of a book (the Bible or other doctrine) and hear the word of God. These books are not the word of God. The word of God is Spirit and we walk in the Spirit. We are washed by the Word of God, by hearing God and doing what He tells us to do, so we may be sanctified and cleansed. We also speak truth that we have learned from the Holy Spirit. The disciples and Jesus Himself always referred when speaking of the scriptures, he would say, "For it is written" or the Apostle Paul

would say, “according to the scriptures”. They never said, "For the word of God says" meaning the Bible.

1 Corinthians 15:3-4 says, “For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures:”

We have in the scriptures, the word of God, the words that Prophets wrote and words written in a historical form. Many times an Angel of the Lord would come to a prophet and take him up in a vision and say, "write down everything you see". Other times the disciples would write down events and settings that already happened or they witnessed at an earlier time. Jesus said, "For he who has an ear let him hear what the Spirit says!" I'll tell you right now, you continue going to these devil dwellings that are called churches, in Jesus time they were called synagogues and continue dwelling in your lifeless thoughts and the thoughts of Satan, the Devil, and his devils. These thoughts will cause you to surely die. I am so tired of these Christians, the workers of iniquity, the children of Hell, the sons and daughters of

wickedness, showing me a Bible and saying this is the word of God.

You will learn how to have a real relationship with God after reading this book. I hope that you will come to the fountain of youth that is only in the Lord Jesus Christ. I do not mean the Lord Jesus Christ that has been preached to you by Satan and his devils in the church buildings. There is only one body of Christ and He is gathering his congregation right now as I speak. I have been sitting in churches and rescue missions across the country for the last nine years and they are all the same.

They teach that were lucky to have one more day, and the end is here, you had better hurry up and become one of us hypocrites or you're going to die. That is the whole point; we want to die to the self-natural human spirit mind so that we may live for eternity. These scare tactics that are used by those who call themselves children of God has brought about a society of Christians that are so deceived, that all they know how to teach is deception. There is no Truth in them. The Pharisees and Sadducees of our time have brought in trillions of dollars through the corruption of a number of different schemes like changing the translation of the Bible into NIV, RSV, NLB, New King James, and so on.

I want to give just a brief summary of what was required of the children of Israel, the priests, and the high priest during the time of Moses and what it means for believers today. When the children of Israel were in the wilderness learning the will and ways of God in God's time, they learned about sacrifice under law. The people were required to bring lambs, bullocks, pigeons, turtle doves, etc. according to the sacrifice or whatever they were able to bring.

The priests were ordained to do the service of God in the Holy Place and the High Priest did the service of God in the Most Holy Place in the Tabernacle. Blood was required for an atonement of sin. These sacrifices were physical animals to be sacrificed. In some cases the children of Israel when bringing their sacrifice, they would have to cut the throat of the sacrifice that was being given to the priest and the priest would do the rest required by God. There can be a lot said about sacrifice, just read the book of Exodus, Leviticus, Numbers and Hebrews.

1 Peter 2:5 "Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ."

A lot of the things written in the Old Testament are physical examples and are prophetic of later spiritual things. When it comes to us being priests, we are just that. What do priests do, they do the service of God, according to God's will and way. So many people have been carried away with false doctrines on what it means to be a child of God. I believe that the Christian leaders in these synagogues that they gather in are really spiritual psychologists. They are trying to solve spiritual problems with worldly methods. Ask Jesus into your heart and say this simple little prayer with me, read your bible, and come to church on sun god day and you will be saved. I don't think so. Much is required of us to keep our temples clean, so that we are able to assemble in Heavenly places. For us as a body of Christ to be a habitation for the Almighty Creator God to dwell in, we must be clean (free from sin).

Romans 3:24-26 "Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God; To declare, I say, at this time his righteousness: that he

might be just, and the justifier of him which believeth in Jesus."

For us to be established in grace, we first must understand what grace is. Grace is not a free ticket to sin and be totally lawless. Grace is putting on the Blood of Jesus over ourselves and our sins. To be forgiven of our sins, we do not have to give up goats, calves, lambs and so forth, but the Blood of Jesus Christ is our sacrifice. By putting on the Blood of Jesus we are doing the service of God by keeping our tabernacle clean (our bodies), thus God will make our bodies a habitation to dwell in. By putting on the Blood of Jesus Christ over ourselves and our sins, we than can go onto giving up burnt offerings through His Blood. By partaking the cup of the Lord we burn up our iniquities through His sacrifice, purging our sins, being made holy and perfected to endure to the end. We are required to make ourselves a living sacrifice for the Lord, so that we may overcome our flesh by Jesus' Blood.

When Jesus Christ died on the cross, He was baptized in His own Blood, He was literally covered in Blood. When the Roman soldier stabbed Him in the side, both water and Blood came out of Him. We no longer

need to be baptized like that of John the Baptist, John was baptizing people as an expression of the things to come in Christ Jesus. These people that later excepted the sacrifice of Jesus Christ were all Baptized again, read the book of Acts. They were baptized in the Blood of Jesus Christ, by saying it. I put the Blood of Jesus Christ over every part of me, I put the Blood of Jesus Christ over all my sins. I pray Father, God have mercy on me a sinner, forgive me of all my sins in Jesus Holy name. I pray Father, God give me the victory over all my sins in Jesus Holy name. Praise God, thank you Jesus, Blessed be the name of the Living GOD of Israel in Jesus Holy name.

We are not under the Law of Moses, but under grace. Meaning that the ordinances like giving up goats, lambs, bullocks, etc., the washing of cups, pots, brazen vessels, and of tables. We no longer have a physical tabernacle that requires us to do these ordinances that cannot forgive sins, but we now have a more perfect way that is in Christ Jesus and his Blood, we have access to his Blood by faith. This does not mean that we are a people without law, there is a difference between laws that are against us, like the ones I just spoke of and the commandments of God. Through grace we are able to keep the commandments of God and do walk in them.

The whole idea of the Temple is to come together and give up something like a bull for the people of God to come together and eat meat, bread, drink wine and fellowship together in the glory of God.

I'll show you a way to a path of righteousness that is only in the Blood of Jesus and using it properly, the straight and narrow to the door of the Living God. Once you come to the crucified Jesus and drink His everlasting Blood, you will no longer be captive to your own self-natural human spirit mind, Satan and Death. We are in the beginning of the time of Jacobs's troubles, a new beginning not and end. Those of us who are the chosen people of Israel we are going to reign with Jesus Christ here on earth for 1000 years. We will become Holy Spiritual glorified beings, space explorers and time travelers. Praise God! We who are of the House of Israel may come to the TRUTH that is in the Blood of Jesus Christ and using it. We may have life and life more abundantly, become alive, awake and well; we are living, breathing saints. We can have perfect peace, perfect joy, perfect truth, perfect health, perfect life and perfect love that are in Christ Jesus and His precious Blood of life. In order for one to come to know the Spirit of the LORD and

the Spirit of the Lord Jesus Christ, we must put the Blood of Jesus over every part of us and over our sins.

In Exodus and Leviticus of the Holy Bible there are chapters after chapters of the importance of a blood sacrifice, for the forgiveness of sins. Take time to read Exodus chapters 28 and 29 and you will see the importance of having our garments clean and the importance of a blood sacrifice. Our spirits must be cleaned through a blood offering, in order for us to present ourselves before the LORD. Our souls go to Heaven, not our spirits.

Exodus 29:20-21 says, "Then shalt thou kill the ram, and take of his blood, and put it upon the tip of the right ear of Aaron, and upon the tip of the right ear of his sons, and upon the thumb of their right hand, and upon the great toe of their right foot, and sprinkle the blood upon the altar round about. And thou shalt take of the blood that is upon the altar, and of the anointing oil, and sprinkle it upon Aaron, and upon his garments, and upon his sons, and upon the garments of his sons with him: and he shall be hallowed, and his garments, and his sons, and his sons' garments with him."

In the Old Testament it was required by law to shed the blood of goats, calves, lambs and so forth for the remission of sins (thus, the Israelites sacrificing something of their own. The people of Israel were only allowed to use the finest animals they had, without spot or blemish. To show the importance of a blood sacrifice and the cost of sin. Animals in those days were not cheap, especially the finest ones without blemishes. Some people were so poor, and they had to sacrifice birds. Sin is more than just doing wrong; we have shown you that in the first part of this book. Sins are a means of life through the Blood of Jesus. The High Priest and his sons were the only ones allowed to go into the tabernacle once a year to atone for their sins and the sins of the people. We can use the Blood of Jesus as often as we sin for the forgiveness of sins; we can keep ourselves clean all the time. We are kings and priests; we give up spiritual sacrifices, because we are priests.

Hebrews 9:19-28 "For when Moses had spoken every precept to all the people according to the law, he took the blood of calves and of goats, with water, and scarlet wool, and hyssop, and sprinkled both the book, and all the people, Moreover he sprinkled with blood both the

tabernacle, and all the vessels of the ministry. And almost all things are by the law purged with blood; and without shedding of blood is no remission. It was therefore necessary that the patterns of things in the heavens should be purified with these; but the heavenly things themselves with better sacrifices than these. For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us: Nor yet that he should offer himself often, as the high priest entereth into the holy place every year with blood of others; For then must he often have suffered since the foundation of the world: but now once in the end of the world hath he appeared to put away sin by the sacrifice of himself. And as it is appointed unto men once to die, but after this the judgment: So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation."

James 4:8 it says, "Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded."

We draw near to God by putting on the Blood of Jesus as often as we sin. Confessing sins and repenting

are dimensions within themselves. A realm of forgiveness sits in Heavenly places. To repent means to move away from living in sin and draw near to God. In order for us to draw near to God we must be obedient to the sprinkling of the Blood of Jesus. The Most Holy Place is in Heaven and in Christ Jesus, his Spirit resides in those who know how to keep their garments clean and do keep their garments clean. Through the Blood of Jesus we are able to except the doorway to Heaven and sit in Heavenly places. I cannot express to you, how important it is to use the Blood of Jesus. Before Jesus died on the cross, He said, "It is finished!"

The reason for this is because His Blood was shed, all around the cross and all over Himself. John the Baptist, baptized in water to show an outward expression of the baptism of Blood through Jesus Christ to come. Jesus was baptized in water to show a symbolic expression of the washing of the word of God. Jesus is the living word of God. By being covered by His Blood, the word became alive and He spoke everything He heard from God. When we put on the Blood of Jesus we are than washed in the word of God. Being immersed in water was also an outward expression of burying the old man. Coming up out of the water to life.

Perfect peace and perfect joy comes through turning our minds off and drawing near to God. The Blood of Jesus gives us a place in Heaven and makes us Holy, spotless and blameless. We are than no longer of this world, but we are Heavenly and Holy. Praise God! Thank-you Jesus! You will come to know that by turning your mind off to those devils and demons through the Blood of Jesus, you will come to the understanding, knowledge and wisdom of God Almighty. God wants to manifest Himself to you and give you everlasting life through His dear Son Jesus Christ. There is no other way! The Church of God, the body of Christ is not in any building and surely never will be. Soften your harden hearts through the precious Blood of Jesus and have everlasting life. We are more than conquerors through the Lord Jesus Christ; we are lights standing in darkness.

1 Peter 2:9-10 it says, "But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light; Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy."

When Jesus came He presented His own body as a new living tabernacle or temple. The Lord Jesus Christ shed His Blood one time, so that we may use it every time we sin. The Holy Spirit will help us know what sins we commit and will teach us all things. Through confessing our sins, putting the Blood of Jesus over those sins, by saying it, “I put the Blood of Jesus over every part of me; I put the Blood of Jesus over all my sins. Father, God have mercy on me; forgive me of my sins in Jesus Holy name. Father, God give me the victory over all my sins in Jesus Holy name.

Anyone that has ever gone to church or a rescue mission has heard at the end of a sermon, this thing they call a sinners prayer. Now if anyone would like to receive Jesus Christ as his or her personal savior, just ask Jesus to come into your heart and say this simple prayer with me: “Father, I know that I am a sinner. I plead the Blood of Jesus and repent of my sins. I ask Father that you forgive me of my sins. I believe Jesus died and rose again the third day. I ask you Jesus to be Lord of my life and come into my heart. I thank you Father for saving me from my sins and I say all these things in Jesus name.”

Sound familiar or something like it, "Just ask Jesus into your heart!" What did the sinner’s prayer and asking

Jesus into your heart do for you? When I did this, I received nothing. I told my chaplain about the prayer I did and he told me to start going to church, read the bible, and spend time with God every day. When I would go to church, during the singing part of the service, I would get this goose bump feeling, warm fuzzy feeling, and chills up and down my back. I had thought wow I have received the Holy Spirit. I would also feel this devil spirit sometimes when someone preaching could get me to a feeling and emotional state.

I was able to quit smoking, drinking, doing drugs, was able to stay out of jail and did not get into trouble anymore. The devil spirit of smoking, alcoholism, etc. and the demon spirit of addiction went dormant in me. These devils and demons were still in me, but they were no longer active. It wasn't until I got set free through the Blood of Jesus, by using the Blood of Jesus, that those devils and demons were cast out of me. I must have been born again and received the Holy Spirit so I thought. I started hanging around other Christians and church people and thought I was on my way to the kingdom of God.

I have found after being in rescue missions all across the country for about nine years and have heard

all kinds of Pastors, Preachers, Reverends, Ministers, and whatever else they call themselves. These people have a great need to hear a confession from someone needing spiritual guidance. The notion that we just need to ask Jesus into our heart, read scriptures, and go to church is a tradition of men and will not get us set free and surely will not get you to know God. We serve God 24 hours a day, not just once a week and surely not on sun day or Sunday. We are to keep Friday evening to Saturday evening Holy, which is the seventh day of the week or the Sabbath. Songs, altar calls, being converted, long prayers, yelling at the top of their lungs, fire and brimstone, all kinds of different speaking techniques are not of God.

Speaking techniques have brought about a system of playing on people's emotions and bringing them to a feeling and emotional state that is no more than a bunch of devils and demons. These ministers of Satan preach about morals, death, and how we are running out of time and the end is here. We better hurry and ask Jesus into our hearts and are saved, because Jesus is coming back tomorrow.

Hebrews 10:1-4 says, “For the law having a shadow of good things to come, and not the very image of the things,

can never with those sacrifices which they offered year by year continually make the comers thereunto perfect. For then would they not have ceased to be offered? Because that the worshippers once purged should have had no more conscience of sins. But in those sacrifices there is a remembrance again made of sins every year. For it is not possible that the blood of bulls and of goats should take away sins. Having therefore, brethren, boldness to enter into the holiest by the blood of Jesus, By a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh; And having an high priest over the house of God; Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water."

God's grace is expressed in the offering of His only begotten Son Jesus Christ. The perfect Lamb of God, Jesus Christ laid down His life for atonement for the sins of this world. We are not under the law of the tabernacle, which required offerings of goats, lambs and bullocks and so on. We are under grace, meaning this generation does not have to offer up goats, lambs, and bullocks for the forgiveness of sins. Jesus Christ came to this earth to shed

His Blood for the forgiveness of sins. He died once for the remission of many, all sins.

Nowhere in the scriptures does it imply that we are not to use the Blood of Jesus for the remission of sins. On the contrary, the book of Hebrews explains to us that the Blood of Jesus is a spiritual sacrifice for us to use to draw near to God. The whole point of Jesus shedding His Blood is for this generation to put on the Blood of Jesus, over ourselves and our sins. God has made us priests so that when we do sin, we may give up spiritual sacrifices for our iniquities and transgressions as we sin, so we can draw close to God.

Read: Galatians 3:24-27, **1 John 1:9**, **Romans 10:9-10**

Without the Blood of Jesus, there is no spiritual life. A child of God's spiritual foundation is through the Blood of Jesus and using it. One must use the Blood of Jesus in order to be forgiven and set free from sin. By saying, I put the blood of Jesus over every part of me and over all of my sins. Father, God forgive me of all my sins I have committed in the past and now. Wash me clean in your precious and powerful, healing blood, "Lord Jesus," and from sin, Satan and death. By putting the Blood of Jesus over yourself and over your sins on a daily basis,

you will always overcome Satan, spiritual death and physical death.

Always being covered in the powerful, healing Blood of Jesus, one may be blameless, without spot before God of Heaven. Ask God the Father to wash you in His precious son's Blood every day of your life and over all of your sins. To draw near to God we must first go to Jesus Christ. We must be baptized or immersed in the Blood of Jesus. Being baptized or immersed in water is an outward confession of being purified. The only way God can forgive us of our sins is if we actively confess and put the Blood of Jesus over every part of ourselves and our sins or be immersed in the Blood of Jesus. Washing ourselves and our sins in the Blood of Jesus cleanses us from iniquity and transgressions.

When we plead the Blood of Jesus and wash ourselves in His Blood and the Word of God. The Holy Spirit manifests Himself and moves into our bodies making a home. Jesus is the living Word of God. Jesus was sprinkled with His own Blood making the Word of God alive. Believe in the sacrifice of the offering of the Blood of Jesus. He was crucified during the Passover. The Passover was a feast the Israelite people kept to remember the promise of God. The Word of God is in the

Blood of Jesus. The crucified Word of God and the Blood of Jesus brings us life everlasting. The Holy Spirit agrees with the water and the Blood. Water is symbolic for the Word of God. The Word of God washes us continually. Jesus sprinkled His own Blood and made a New Testament for the atonement of our sins, becoming the perfect Lamb of God.

Read: James 1:22-25, **Ephesians 5:26-27**, **Exodus 12:13**

"There are only a few steps to start walking in the Spirit. However, we must have all three. There are no short cuts. We must repent and be baptized in Christ Jesus, receive the Holy Spirit and be washed in the Word of God. We must continue to confess our sins, put the Blood of Jesus over each individual sin. Ask God to forgive us of those sins in Jesus name and ask God to give us the victory over those sins in Jesus name.

Hebrews 8:14-17 says, Now when the apostles which were at Jerusalem heard that Samaria had received the word of God, they sent unto them Peter and John: Who, when they were come down, prayed for them, that they might receive the Holy Ghost: (For as yet he was fallen upon none of them: only they were baptized in the name

of the Lord Jesus.) Then laid they their hands on them, and they received the Holy Ghost."

Some people need to have hands laid on them, and they receive the Holy Spirit. However, once we receive the Holy Spirit, the Holy Spirit can start teaching us how to walk in the Spirit. The Holy Spirit speaks, intercedes, testifies, guides, commands, appoints, leads, reproves and convicts of sin and shapes an individual's life to Christ's. The Spirit gives the gifts of wisdom, understanding, and insight to the things that are in the spiritual realm and here on earth. The Holy Spirit teaches all things to those who know Him.

My goal is not to have contention and debate (which are devil spirits and sins) with the church people, but to show the simple how the church people have been deceived. My hope is that you won't be deceived as the Christians and all the other church people, but will come to Jesus Christ crucified and use His Blood for the remission of your sins and have a wonderful life to the glory of God Almighty. The Christians will be judged and God will deal with them accordingly, but you may have life and life more abundantly. Praise God! Thank-you Jesus!

Galatians 3:27 For as many of you as have been baptized into Christ have put on Christ.

Later in another book I will get into the only free government which is called the Kingdom of God or the Kingdom of Heaven. This free government is at hand and I hope you join later to learn how to live free based on love, faith, hope and charity and not by force. More later. God Bless you in Jesus name.
